

Zoë Moolman

Art & Design Master's Graduate

About Me

I am a multidisciplinary creator with a background in fashion and a Master's in Inter-relational Art Practices. My work explores identity, adornment, and care through collaborative projects across garment-making, graphic design, photography and film.

Experience | Achievements

- **Guest Lecture**
Cape Town College of Fashion Design (CTCFD) 2025
Delivered a guest lecture on my thesis (Unstitching the Restrictive Seams) to students at CTCFD.
- **Magazine Feature**
Metropolis M 2025
Master's graduation work featured in Metropolis M, highlighting research on adornment, identity, and collaborative garment-making.
- **Graphic Design**
Undocumented Game of Life 2024 - 2025
Worked with a research team at Vrije Universiteit Amsterdam to design a board game (based on The Game of Life) that helps educators understand the difficulties undocumented youth face navigating the Dutch education system.
- **Seamstress**
Pink Cube 2023 - 2025
Assisting the Pink Cube with collaborative quilt-making that represents the waiting time trans people in the Netherlands face in accessing healthcare.
- **Fashion Show**
Body Lovin' Series 2023
Invited to showcase graduation collection in a Cape Town fashion show celebrating under-represented bodies in mainstream fashion.
- **Magazine Feature**
Selin Magazine 2023
Dress created during fashion school featured in Selin magazine
- **Small Business Owner**
Sick Puppy 2017 - 2023
Founded a small business creating prints and later original garments, donating 50% of proceeds to Dignity Dreams, a Cape Town organisation providing reusable pads to women and girls in need.
